FIG. 9 is a schematic diagram of a grid structure 900, which is a 2D array of elements 910. The grid is composed of a 10x10 array of elements 910, which are arranged in a regular pattern. The elements 910 are represented by small squares, and the grid is bounded by a thick border 920. The grid is shown in a perspective view, with the elements 910 appearing to recede into the distance. The grid is labeled 900, and the elements are labeled 910. The border is labeled 920.
